- State Agency comments will be available in the “attachments” section

The California Environmental Quality Act (CEQA) does not require Lead Agencies to respond to late comments. However, we encourage you to incorporate these additional comments into your final environmental document and to consider them prior to taking final action on the proposed project.

Should you have any questions or concerns regarding the environmental review process, please contact the SCH at (916) 445-0613 or state.clearinghouse@opr.ca.gov. If your question is regarding the above-named project, please reference the ten-digit SCH number when contacting this office.
